WELCOME LETTER

Dear Prospective Corporate Partner,

On behalf of the Society of Hispanic Professional Engineers, Inc. Houston Chapter (SHPE Houston), we are pleased to invite your company to partner in our mission to facilitate the economic & educational advancement of the Hispanic community through professional careers in Science, Technology, Engineering and Mathematics (STEM).

SHPE Houston is a network of mentors, role models, and leaders in STEM brought together to inspire, motivate, and empower the Greater Houston Hispanic community to achieve its full potential. We are a non-profit 501(c)(3) organization and part of a national network of over 10,000 student and professional members. SHPE Houston delivers over 30 projects and programs per year geared towards mobilizing the Hispanic community to achieve excellence in STEM fields and to inspire confidence in pursuing leadership positions. The excellence in quality, reach, and impact of our programs across our target audiences (K-12, college, professionals) and alignment with SHPE national priorities have been recognized by our National Board of Directors and CEO by awarding SHPE Houston the SHPE Adelante Award - National Large Professional Chapter of the Year for four years in a row from 2015 to 2018.

The following packet summarizes the wealth of opportunities available to your company to assist us in our effort. We know that with your help we can expand our reach and make a greater impact in leveling the playing field for minorities in the Greater Houston area through STEM. If you have any questions or concerns regarding event participation, sponsorship contributions, feel free to contact Tadeo Huerta, Chapter Vice President of External Affairs.

We thank you for your time and consideration and look forward to working with you.

In partnership,

Abraham Madrigal
President
